Dorney Lake is a world-class rowing and flat-water canoeing centre in a spectacular, 400-acre park land setting near Windsor. It hosted the Olympic and Paralympic Games in 2012.

How to Get There

Dorney Lake is ideally placed, being within easy reach of London, Heathrow Airport, the M4 corridor and the M25, M40 and M3 motorways. It is also well served by the rail network.

Car Parking

On arrival to the site follow signs to the event car park. Race registration is a short walk away from the car park; a perfect distance for warming those running legs up! Once you are parked up please make your way to the Boat House where you will find the registration team waiting for you.

Facilities

We have changing rooms, showers and toilets all on site which are located inside the venue, next to registration. If you are looking for a hot drink or something to eat then the Dorney lake café upstairs will be open.

Event Registration

Event Registration is located within the Main Boathouse at the far end of the lake.

On arrival you will receive:

- 1** Bib number. To be worn on the front when you are running.
- 2** Depending on the number of competitors, you may be asked to have your event number written on your hand.
- 3** Timing chip. This is supplied with a Velcro band to secure to your LEFT ankle.
(DO NOT WEAR THE TIMING CHIP ON YOUR WRIST! ONLY TO BE WORN ON YOUR ANKLE)

Please note: It is advisable to arrive approximately 60 minutes before your start time. This then gives you plenty of time to register and understand the layout of the event.

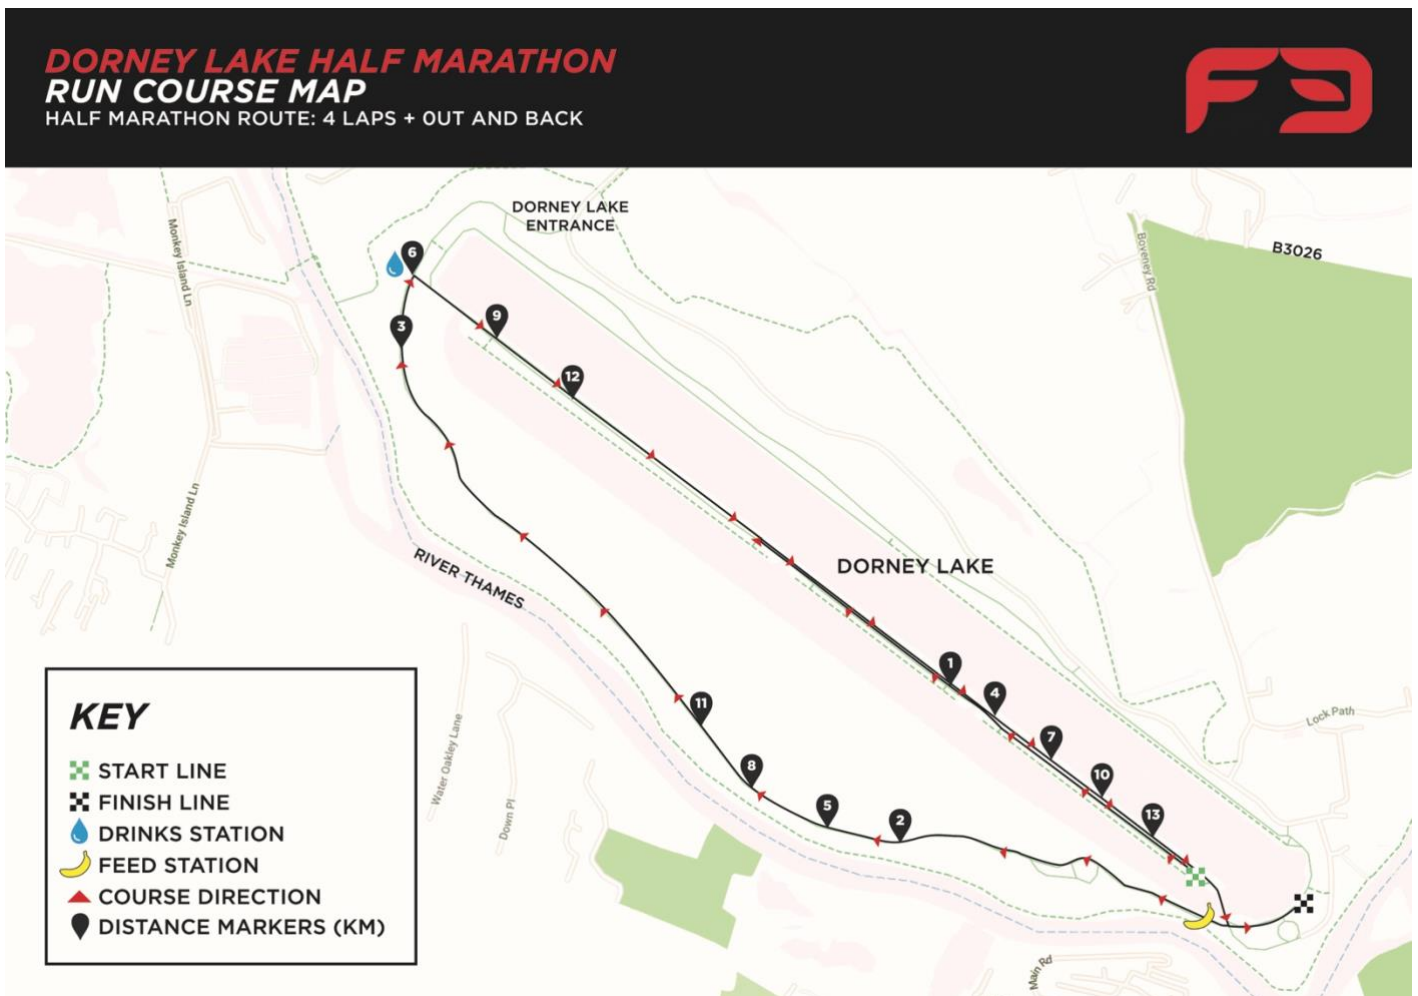

Event Briefing

It is mandatory to attend the event briefing relevant to your event. This is held 5-10 minutes before the start time. You must attend this ready to start immediately after the briefing. The briefing will be held in the run start area, which is approximately 3-5 minutes walk from the registration area.

Run Course

The run course is as illustrated on the run map below. The Half Marathon run will be 4.5 Laps. On completion of the running course proceed into the finish line funnel to collect your finishers medal and goody bag.

Please remember to hand your timing chip in (if you have one and we are using chip timing) before collecting drinks and refreshment after crossing the line. Failure to hand in your timing chip will result in a £10 surcharge to cover the replacement of the chip.
