The timing chip is attached to the back of your race number. The race number is the only thing you will need to start your event.

Race Registration is located by the Main Tent in Alexandra Gardens, Barry Avenue.

- 1. Race number to be worn on the front.** This will aid event officials to identify you, plus allow our official timekeepers.
- 2. Timing chip.** The timing chip is attached to the back of your race number, attach this to your front then you will be ready to race. **Do not alter your race number in any way as this may affect the timing chip.** Timing chips systems are used at all of our events, but you will be notified on the day of the event if there has been a technical problem.

NOTE: It is advisable to arrive at least one hour before your start time. This then gives you plenty of time to understand the layout of the event and take in the event atmosphere.

Race Briefing

The event briefing will be held at 8:15am by the start area and will give any updates or announcements about the event.

The Run Route
